

## CRANE 01B2SER\_1000

LIFTING CAPACITY 200 KG  
COUNTERBALANCED SWIVEL CRANE ELECTRIC LIFT/LOWER/EXTEND/RETRACT  
THROUGH PUSH BUTTON REMOTE CONTROL

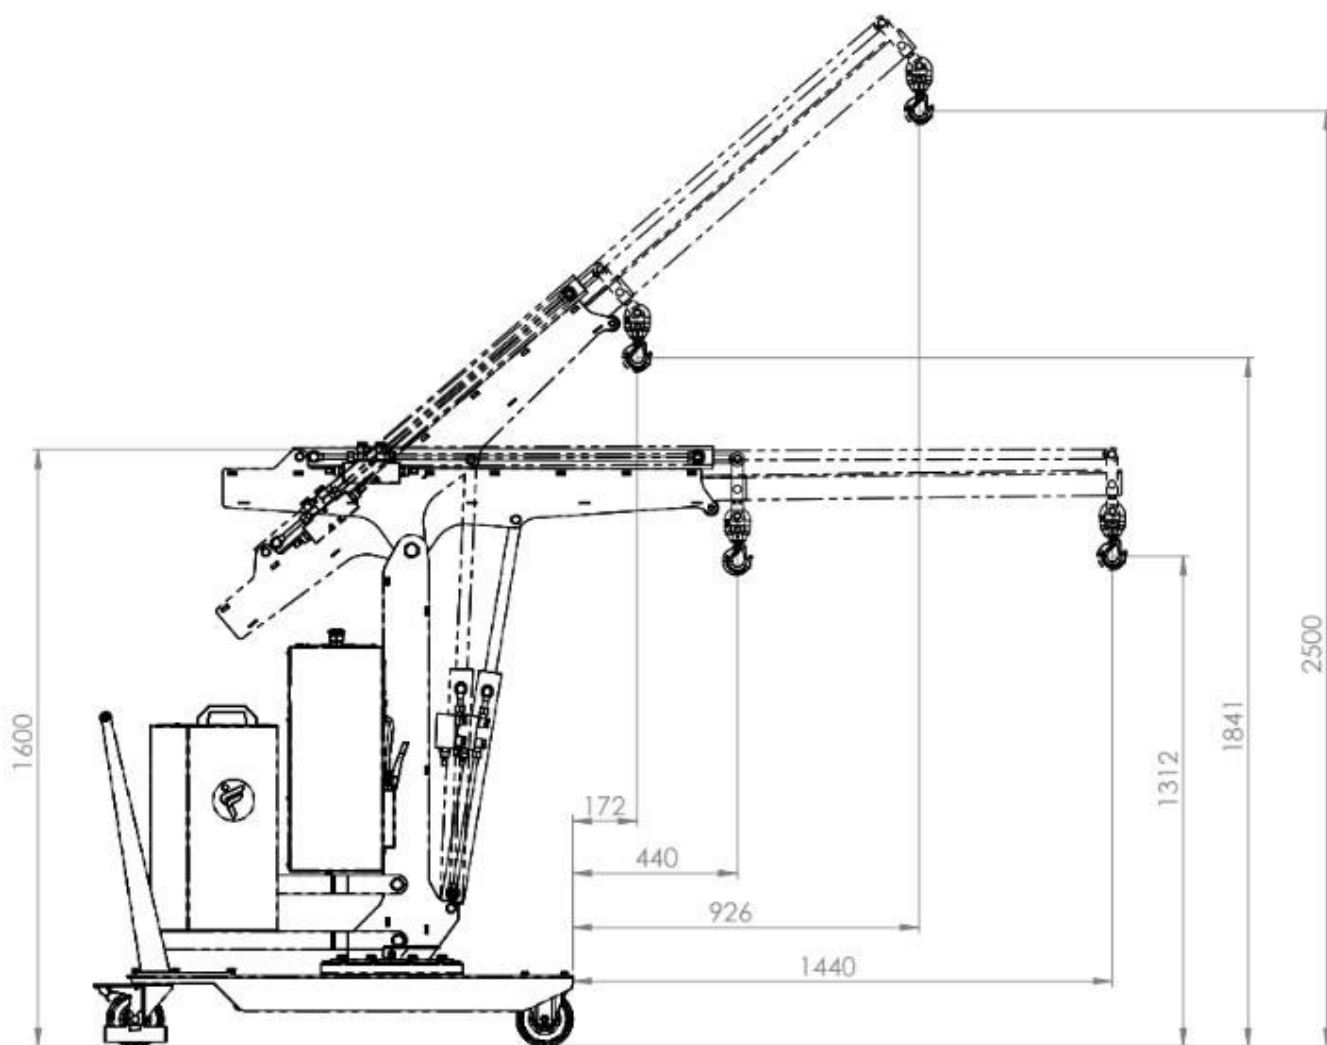

| Model                                     |           | 01B2SER_1000                         |
|-------------------------------------------|-----------|--------------------------------------|
| Drive                                     |           | Manual                               |
| Rotation                                  |           | 360° manual - slewing bearing system |
| Arm lifting                               |           | Electric – remote control            |
| Arm lowering                              |           | Electric – remote control            |
| Arm extension                             |           | Electric – remote control            |
| Width with arm not rotated                | mm/inch.  | 780 / 30                             |
| Width with arm rotated at 90°             | mm/inch.  | 1040 / 41                            |
| Max capacity with standard arm            | Kg / lbs. | 200 / 440 * see load chart below     |
| Max capacity with extension PZG_SE        | Kg / lbs. | 40 / 88 * see load chart below       |
| Weight of the crane (counterweight incl.) | Kg / lbs. | 480 / 1058                           |
| Battery type standard                     |           | Maintenance free AGM                 |
| Batteries nos.                            | pcs       | 1                                    |
| Battery voltage / nominal capacity        | V / Ah    | 12 / 120                             |
| Lifting motor                             | W         | -                                    |
| Traction motor                            | W         | -                                    |
